

PRESS RELEASE

ATR will attend the Aircraft Interiors Expo in Hamburg

Toulouse, March 31, 2017 – The world’s leading turboprop manufacturer, ATR, will attend the Aircraft Interiors Expo in Hamburg, from the 4th to 6th of April 2017 (ATR booth: stand 6C51, Hall 6). ATR’s presence at the world’s largest event dedicated to design and furnishing of aircraft cabin interiors underlines the manufacturer’s strong commitment to passenger comfort and wellness.

ATR will hold a contract-signing ceremony at the ATR booth, on Tuesday, April 4, at 11.00am. This event is open to all media attending the Aircraft Interiors Expo.

With constant innovation at the core of its DNA, ATR will use the opportunity provided by the exposition to showcase its latest developments that will contribute to further improving and refining the quality of in-flight experience. Visitors to ATR’s booth will be able to discover the very latest cabin developments. Featuring state-of-the-art virtual reality headsets it will be possible to explore ATR aircraft and its various cabin configurations whilst also experiencing in person the very latest standards of cabin comfort.

About ATR

Founded in 1981, ATR is the world leader in the market for below-90-seat regional aircraft. Since its creation, ATR has sold over 1,500 aircraft. ATR aircraft equip the fleets of some 200 airlines in nearly 100 countries. ATR is an equal partnership between two major European aeronautics players, Airbus and Leonardo. Based in Toulouse, France, ATR is well established worldwide with a large customer support and sales network, including Customer Service Centers, training centers and warehouses.
