

PRESS RELEASE

ATR will attend Zhuhai Airshow China 2016

Toulouse, October 28, 2016 - ATR, the world's leading manufacturer of turboprop aircraft, will be exhibiting at the China International Airshow. It is the main international aerospace trade show in China endorsed by the Chinese Central Government. The 2016 event will take place at the China International Aviation and Aerospace Exhibition Center in Zhuhai, Guangdong Province, from November 1 - 6, 2016. ATR will welcome visitors at its booth **H3E3-4**.

On the opening day of the Airshow, November 1, ATR will hold a **media briefing at 3:30 pm at the Room 232, Press Center**.

During the briefing, ATR will unveil its latest turboprop market forecast for China for the next two decades. This will also be an opportunity for ATR to jointly present a regional air transportation project being developed with Shaanxi Tianju Investment Group in Northwest China.

About ATR

Founded in 1981, ATR is the world leader on the market for below-90-seat regional aircraft. Since its creation, ATR has sold over 1,500 aircraft. ATR models equip the fleets of 200 airlines in nearly 100 countries. ATR is an equal partnership between two major European aeronautics players, Airbus Group and Leonardo-Finmeccanica. Its head office is in Toulouse. ATR is ISO 14001 certified. For additional information, log on to www.atr-aircraft.com. Please follow us on our Wechat : *atrchina*.
