

## PRESS RELEASE

# ATR at MRO Americas 2016

**Toulouse, 31 March 2016** - The world's leading regional aircraft manufacturer, ATR will be attending MRO Americas 2016, a premier event for the commercial aerospace maintenance, repair and overhaul industry. The event will be held from 5h to 7th April at the Kay Bailey Hutchison Convention Center, Dallas, USA. ATR will welcome visitors at Stand n°3216.

In addition to networking with industry professionals, ATR will showcase its extensive portfolio of customer support products and services which include its bestselling offering, the Global Maintenance Agreement (GMA). The GMA is tailored to the requirements of each operator and greatly enhances its unique ability to delivery comprehensive and cost-effective maintenance planning for ATR customers.

Proximity has always been a key priority for ATR in maintaining strong relationships with customers. ATR has considerably increased its global footprint in the region in recent years. Its team of customer support experts in Miami, Florida, provide its operators with 24/7 assistance and counsel. ATR has an effective MRO network for airframe maintenance in the region with partners in Brazil and in the USA, handling support activities for North America, South America, and the Caribbean.

### About ATR:

Founded in 1981, ATR is the world leader on the market for regional aircraft with 90 seats or less. Since its creation, ATR has sold over 1,500 aircraft. With over 28 million flights, ATR models equip the fleets of over 200 airlines in nearly 100 countries. ATR is an equal partnership between two major European aeronautics players, the Airbus Group and Finmeccanica. Its head office is in Toulouse. ATR is ISO 14001 certified.
