

## ATR Launches New Website Providing Visitors With An Engaging User-Journey Into the World of Regional Aviation

**Toulouse, 8 October, 2020** – ATR today announces the launch of its new corporate website. Designed to create an engaging user-journey for visitors, the website showcases the people, innovation and values that feed into the creation of the market-leading ATR aircraft family. With regional connectivity increasingly essential, the modern platform hosts enriched content that showcases ATR’s family of aircraft, its range of services and tells the stories from ATR’s fleet of 200 operators and the communities that they serve around the world. <http://www.atr-aircraft.com>

### About ATR:

ATR is the world number one regional aircraft manufacturer with its ATR 42 and 72 aircraft the best-selling aircraft in the less than 90-seat market segment. In 2019 the company had a turnover of US\$1.6 billion. The unifying vision of the company’s 1,400 employees is to help everyone, no matter where they are in the world, to connect and develop in a responsible manner. Thanks to the efficiency of turboprop technology and the benefits of the company’s focus on continuous innovation, ATR aircraft open more than 100 new routes every year, burn up to 40% less fuel and emit up to 40% less CO2 than regional jets. For all of these reasons, ATR aircraft have been chosen by some 200 companies in 100 countries around the world. ATR is a joint-venture between Airbus and Leonardo.
