

Guillaume Daudin

Senior Vice-President Programs

Guillaume Daudin is ATR Senior Vice-President Programs, reporting to ATR's Chief Executive Officer. In this position, he is a member of the company's Executive Committee.

Guillaume joined ATR from Airbus where he occupied a wide variety of key roles in Engineering, Configuration, Quality and Program management over the past 17 years. His most recent positions before joining ATR include the Airbus roles of Vice President QUANTUM / DDMS Quality, Vice President of the A330/A340 Program Configuration & Sites Program Management, Head of A350XWB Configuration Management and Senior Director A350XWB US Program Management (position held in San Diego, USA).

He started his career as a Consultant for the European Aeronautic Defence and Space company (Airbus Group) and Motorola.

Guillaume holds an Engineering Diploma from EFREI in Paris and is a Certified Project Management Professional (PMP) from the Project Management Institute (PMI).
