

ATR Statement

Toulouse, 15 January 2023 – ATR has been informed that an accident occurred in Nepal involving an ATR 72-500. Our first thoughts are with all the individuals affected by this. The ATR specialists are fully engaged to support both the investigation and the customer.

About ATR ATR is the world number one regional aircraft manufacturer with its ATR 42 and 72 aircraft the best-selling aircraft in the less than 90-seat market segment. The unifying vision of the company's employees is to help everyone, no matter where they are in the world, to connect and develop in a responsible manner. Thanks to the efficiency of turboprop technology and the benefits of the company's focus on continuous innovation, ATR aircraft open more than 100 new routes on average every year, burn up to 45% less fuel and emit up to 45% less CO2 than regional jets. For all of these reasons, ATR aircraft have been chosen by some 200 companies in 100 countries around the world. ATR is a joint-venture between Airbus and Leonardo.
