

Marion Smeyers

Senior Vice-President Operations and Procurement

Marion Smeyers has been appointed Senior Vice-President of Operations and Procurement at ATR, effective May 1st 2025. She reports directly to the CEO Nathalie Tarnaud Laude.

Marion Smeyers brings a wealth of experience in industrial operations, having held leadership roles across various Airbus divisions. Most recently, she served as the Head of Operations for the A321 Final Assembly Line in Toulouse, where she successfully managed its launch and ramp up. Her background also includes serving as Executive Assistant to the Airbus CEO and leading operations for satellite production at Airbus Defence & Space in the UK, along with various role in manufacturing at the St Eloi Plant and supply chain management. Marion graduated from Ecole Centrale Paris in 2005.

A true industry enthusiast, Marion Smeyers is responsible for driving operational excellence across ATR's supply chain, stabilising production and preparing the manufacturer's ramp up, with a focus on efficiency, performance and sustainability, and a pragmatic and collaborative approach.
